LUNCH PLAN

Students may head to the Gym, Library or Auditorium to eat. When students arrive, they should be reminded that they will need to stay in that location for the duration of lunch.

Students wanting school lunch line up at the cafeteria doors, but with the line turning into the gym from the breezeway (blue tape will mark the line area). After receiving lunch, these students exit the cafeteria as usual and head to one of the eating locations: Library, Gym, Auditorium & a few teacher classrooms. If any lunch location reaches student capacity, staff will redirect students to a location with open capacity.
