“We are Rising Like the Tide”
Pacific Grove Unified School District
Mission Statement

Pacific Grove Unified School District, in partnership with the community, will challenge every student by providing a quality instructional program in a positive, safe and stimulating environment. The District will ensure opportunities for students to acquire and apply the knowledge and skills that develop insight and character necessary for a productive and rewarding life.

Pacific Grove Middle School
Mission Statement

The mission of the Pacific Grove Middle School is to provide a quality educational experience that teaches our students the skills and abilities they need to transition into high school with self-esteem, a capacity for critical thinking, a sense of responsibility, global awareness, and respect for self and others. PGMS is committed to setting and achieving high standards of academics and behavior while recognizing and responding to the individual talents and learning styles of our students.

Music
Dear Pacific Grove Middle School Parents and Students,

It is with great joy that I invite you to read this Student-Parent Handbook. This document contains important information regarding the school calendar, student activities, school policies, positive recognition, expected behaviors, and opportunities for parent involvement. Please read this handbook carefully with your student. Administration and staff follow our handbook guidelines, so it is very important that parents and students understand our rules and expectations.

Pacific Grove Middle School strives to reflect student and staff pride on a daily basis. Our buildings and grounds are attractive, the classrooms are conducive to learning, and there is a positive tone among the student body and teaching staff. We credit three aspects of our community for making PGMS a great school: STUDENTS, STAFF, and PARENTS.

As a school staff, we wholeheartedly take on the responsibility of educating your student while maintaining a safe environment for all. Our common core aligned curriculum challenges our students and is taught by highly qualified teachers. Each instructor is fully and appropriately credentialed in his or her field and is highly involved in professional development opportunities. We care deeply about the education, safety and well being of your student every day.

PGMS students also share the responsibility of school life. They are expected to attend school promptly and regularly, to complete their assignments, and to show respect and kindness to their peers as well as to school personnel. Middle school is a training ground for high school and making mistakes is to be expected. However, adolescence is not an excuse to act out or to abuse rules. As a Growth Mindset school, we expect our middle school students to learn from mistakes without repeating them.

Parents are the key to student success in school. With positive parental support, your student will most likely excel in academics, make good social connections, and develop sound decision making skills. Good parenting reflects a caring attitude and provides the foundation that makes middle school an integral part of your student’s growth. We seek to be a strong partner with our parent base, and look forward to working with you in the role of parent or a volunteer.

Working together as a community of staff, parents, and students will help our students be successful at Pacific Grove Middle School. Read this handbook together, participate in parent groups, communicate with your students’ teachers and encourage your student to make the most of middle school life!

Sincerely,

Sean Roach
Principal

GENERAL INFORMATION

Academic Progress Information - *Illuminate*
All PGMS students and their parents have online access to student progress information. Parents/students use a login and password to access electronic grade books in Illuminate. These grade books will show assignments and due dates. Teachers will update these grade books frequently so parents can also see the scores of completed assignments. Students usernames and passwords will be handed out in homeroom class on the first day of school. (For help creating or logging in to an account, contact the PGMS Office.) Once into the system, parents can look at assignments, grades, comments teachers may leave, and attendance in all classes. Parents can also email teachers, the counselor, or administration through this site. The web address is https://pgusd.illuminatehc.com/login PGMS will provide more specific details early in the year.

ASB Leadership
The Leadership class sponsors a number of events that promote school spirit and a positive culture and climate at PGMS. Leadership class plans school wide activities, including noon activities, dances, dress-up days, spirit weeks, and the allocation of the ASB budget. Officers include President and Activities Commissioner from the 8th grade, Vice President from the 7th grade, and Secretary and Treasurer from either 7th or 8th grade. Leadership class occurs daily during the designated period of the day in the room of the adult adviser/instructor.

ATTENDANCE

**Absences:** Whenever a student is absent, parents should call the school at 646-6568 ext. 305 on the day of the absence, preferably before 9:00 a.m. If a call is not received before 9:00 am, an automated system will call the number on file and send an email notifying the parent that their child has been marked absent from class. **All absences must be cleared by a telephone call or note from the parent or guardian within 72 hours of the absence.** If the parent does not contact the school within 72 hours, the absence will be recorded as **unexcused**. A 24-hour voicemail is available for attendance calls. It is the responsibility of the student to make up work after an excused absence.

**Excused absence:** Ed code 46010, 48205 recognizes only illness, doctor appointments, court appearances, observance of a religious holiday, family bereavement, and quarantine as **excused** absences.

**Unexcused absence:** All other absences, including family vacations, oversleeping, transportation issues, and personal reasons, are considered unexcused. Parents are strongly discouraged from scheduling non-medical appointments, business or vacation travel during times when school is in session, as these are considered unexcused. A tardy of more than 30 minutes is considered an unexcused absence.
**Justifiable Absence Request:** Justifiable absence request forms are available in the school office or on the school website, [www.pgmiddle.pgusd.org](http://www.pgmiddle.pgusd.org), under Resources for Parents. This form must be completed by the parent. The student must take it to each teacher to obtain signatures. The form must be returned to the Assistant Principal at least two weeks prior to the absence. The Assistant Principal will determine if the absence will be considered excused or unexcused. Students are responsible for obtaining and turning in all missed work during any absence, regardless of the absence justification. Approval for allowable credit due to an unexcused absence may be granted for up to ten days per school year, except under unusual circumstances.

**Tardiness:** Students are expected to report to school on time every day. Any student arriving late to any class period is considered tardy unless a valid excuse of illness, doctor appointment, funeral, court appearance, or justifiable personal necessity is given. Students who are tardy at the beginning of the school day must report to the Attendance Office and obtain an Admit Slip before being admitted to class.

*See the Code of Conduct for consequences related to tardiness.

**Any unexcused tardy that is more than 30 minutes is considered a truancy.**

**Early Dismissal:** If your student will need to leave school for any reason, send him or her to school with a note for the Attendance Office. The student must remember to bring the note to the office. You can also call the office ahead of time and we can send the pass to let your student know. Students must be picked up from the main office. Whenever possible, please schedule medical and dental appointments on Thursdays after 2:00 p.m. or during non-school hours.

**Closed Campus:** PGMS is a closed campus. If there is a need for a student to go home during the school day, a parent must inform the office. The student must then be released to the parent/guardian, or an adult listed as the student’s emergency contact. Identification will be required. All PGUSD campuses are closed to other students during the school day.

**Truancy:** In accordance with Ed code 48260 (a) any student who accumulates three unexcused absences or three absences of 30 minutes or more or a combination thereof, in one school year, is considered truant, and the Monterey County Truancy Abatement Program process is initiated through the Monterey County District Attorney’s office. Per PGUSD Board Policy [AR 5113], students with excessive unexcused absences (25% of the school days in a grading period) may receive a failing grade and may not receive credit for the class(es). Once 14 absences have accumulated for the school year, all subsequent absences are considered excessive. Any further absences for illness beyond the 14 must be verified by a physician. Any absence accompanied by a note from a physician or documentation from court will not count toward excessive absences. If a student is found to be truant, the following procedures will be followed:

- **First Truancy:** Letter #1 sent to parents, detention assigned for each period missed.
- **Second Truancy:** Letter #2 sent to parents, parent and student attend meeting with Assistant Principal, detentions assigned for each period missed.
- **Third Truancy and all subsequent truancies:** Letter #3 sent to parents and a copy of the letter and student attendance record will be sent to the District Attorney’s office, parent and student attend a meeting* with Assistant Principal, detentions assigned for each period missed.
*Any scheduled truancy meeting missed by a parent will result in a copy of the letter and student attendance record being sent to the District Attorney’s office.

Confidential Medical Services: School authorities may excuse any student (grades 7-8) from school to obtain confidential medical services without the consent of the student’s parent/guardian. (Education Code 46010.1)

AWARDS AND RECOGNITION
The following are a few school sponsored awards designed to recognize students doing an outstanding job at PGMS.

Awards Assembly: In May, PGMS holds a school-wide assembly to recognize students for participation and achievement in various school programs. Parents are invited to attend this assembly, which takes place during the school day.

Conduct Club: PGMS recognizes students who consistently display outstanding citizenship in the classroom. To be eligible to attend the quarterly Conduct Club Lunch, a student must receive straight O’s (Outstanding) on his/her report card during the previous quarter. Students eligible to attend the Conduct Club Lunch activity will receive an invitation and permission slip a few days prior to the event. Students are responsible for making up any work missed while attending the Lunch.

Kindness Kards: Staff members recognize students who show exceptional attitude, effort, or courtesy with a Kindness Kard. Students may turn in their card to the office at the end of any given school day for a special treat.

Student of the Month: Students of the Month are selected by teachers each month to reward responsible behavior, good citizenship, and/or academic excellence. Students will be recognized with a certificate of appreciation, a bumper sticker, and a professional photograph, to be displayed in the main hall. Teacher participation is voluntary.

Honor Society: This form of recognition is reserved for students who excel in their academic work. Honor Roll is computed at the end of each quarter for students earning a 3.5 grade point average (GPA) or higher. The PGMS Parent Teacher Student Association (PTSA) sponsors quarterly Honors Breakfasts to honor these students. Invitations are distributed in home room a few days prior to the event. Parents are encouraged to join their students for the event.

Honors Night: In the spring, we hold a school-wide Honors Night. Students who have made the Honor Roll for each semester are recognized. Community Service hours beyond the minimum will also be recognized.

CHARACTER DEVELOPMENT
At PGMS, we stress the building of our students’ minds, health, and character. During the year, all students will participate in curriculum and activities designed to develop character traits that guide PGMS students to becoming healthy and productive members of society.
CLUBS
Students are encouraged to get involved with the clubs at PGMS to meet new friends and stay actively involved in school. Most of our clubs meet during lunch on a weekly basis. Each year the clubs vary depending on student interest. If a student has a club idea, he/she should complete the PGMS Club Request Form in the office. The student(s) need(s) to establish who the club’s student leaders will be, a location, date and time to meet, and a faculty advisor for the club. The form should then be returned to the Assistant Principal for approval.

CODE OF CONDUCT
The Code of Conduct, which is included in this handbook, consists of school rules, procedures defining expected behavior, and consequences for misbehavior. We require students and parents to read the document together to understand PGMS standards for good behavior, and sign on the last page. These rules and procedures are board adopted in accordance with the State of California Education Code. The Code of Conduct may also be found on our school website, www.pgmiddle.pgusd.org.

COMMUNICATION – HOME TO SCHOOL
Daily Bulletin: PGMS Website: - The daily bulletin is posted on our school website (www.pgmiddle.pgusd.org). Students view a daily Video Bulletin in homeroom each day.
BrightArrow: BrightArrow is a communication tool designed specifically for schools to communicate with families. Parents will receive emails and/or text messages from the school or district through BrightArrow. These are important mass email notifications and should be read as soon as possible.
Newsletter: The monthly newsletter is a detailed source of information about all of the events taking place at PGMS. It will be emailed to parents each month through Bright Arrow. It is also available on our school website.
Illuminate: Teachers communicate important information about student performance and grades through Illuminate so that parents can remain informed about their child’s progress. Parents should check Illuminate regularly, and/or set up notifications to be sent to their smartphone or similar device. Parents can create their own login and password credentials for Illuminate. To communicate a question regarding an assignment, please send an email instead of communicating through Illuminate.
Google Classroom: Most teachers use Google Classroom as a place to post assignments, documents, due dates, and updates on course-related topics. Parents can log in using their student’s login and password credentials.
Email & Phone: Teachers and other school staff can be reached by phone or email. Please be patient with your communication with teachers. Teachers may need to wait until the end of the school day, or their next break without students, or after meetings to check your message and respond.
COMMUNITY SERVICE
PGMS values community service and the concept that students should volunteer their time to improve the quality of life for their community. As part of our curriculum and as per board policy, all students are required to complete a minimum of 16 hours of community service to be eligible to promote to high school. Students may complete more hours if they choose to do so. Hours may be earned by volunteering for non-profit organizations. Helping out with a family/neighbor project, babysitting, working for a private business (even without pay), etc. does NOT qualify as community service. All hours must be completed outside of the regular school day. Pre-approval of projects is highly recommended. Questions or concerns about community service can be addressed by the Counselor at 646-6568 ext. 304. The deadline to complete all community service hours for eighth graders is April 20, 2020.

COUNSELING
Counseling services are available for every student in the school. The purpose of the counseling program is to support and meet the needs of all our students. We also want our program to be proactive versus reactive. We use a collaborative approach by gathering input and support from teachers, students, parents, and community representatives. Our comprehensive Guidance and Counseling Program facilitates student development in the areas of academic and personal/social growth. We utilize one full-time counselor, a district psychologist, and outside providers as needed to provide services to students, parents, and teachers. These services include assistance with educational planning, study techniques, and/or personal/social concerns. Our school counselor organizes Student Study Teams for students struggling with academic, behavioral or attendance concerns. Parents, teachers, student, administrator, and counselor are present to collaborate at these meetings. If a student is having difficulty communicating with a peer or teachers or if the student is having a conflict with another student, he/she should fill out an “I want to see” form, located in the office and request to see the counselor. In addition, for students struggling with social and emotional issues, we provide SuperKids, a program contracted through the Community Human Services Agency of Monterey. A counseling intern is provided to meet with our students weekly or bi-monthly. Students may be seen once without parent consent.

COURSE OUTLINES
A course outline from each teacher will be sent home with students at the beginning of the school year. The outline will include information specific to the class regarding grading procedures, policies for late or incomplete work, extra credit information, homework guidelines, and any special materials needed for the class. In addition, all PGMS teachers and departments use Illuminate and/or Google Classroom to inform students and parents about assignments and grades.
COURSE REQUIREMENTS FOR GRADE LEVEL PROMOTION/RETENTION

Each student must take a minimum of six courses per semester unless assigned to a reduced day by the principal. Students may also sign up for some first period or eighth period classes that are offered. Each course completed (grade D-, 60% or better) will earn four units. A pass/fail grade will be given for all sixth grade elective-cycle classes and all assistant positions (teacher/library/office).

For promotion to the next grade level, all students must earn a minimum of 44/48 units during each year of attendance in middle school. In addition, all eighth grade students must perform 16 hours of community service in order to be promoted to high school.

Any student who fails **more than one semester class, either Semester 1 or Semester 2 (less than 44 units for the entire year)**, will not be promoted to the next grade level without attending summer school (if offered by PGUSD) or completing an accredited and approved online program over the summer. Traditionally, summer school begins the week after Semester 2 ends and lasts for 4 weeks, however this may change year to year.

Students not meeting grade level standards will be considered for retention. This decision will be made by the Principal and counselor in May. **Eighth grade students who fail more than one class during the eighth grade year will not be permitted to participate in the promotion ceremony, promotion dance, or eighth grade end-of-year trip to Great America. Seventh grade students who fail more than one class during the seventh grade year will not be permitted to attend the promotion dance.**

If your child has missed a great deal of school during any given quarter, “incompletes” may be given in the place of letter grades on the report card. Your child has ten (10) school days after the last day of the previous quarter in which to complete or make up the missing work or assignments to receive a letter grade. Please contact the teacher assigning the “incomplete” mark to obtain a list of incomplete or make-up assignments, alternative test days, etc. **per Board policy, there will be no grade changes after 10 days of school following the last day of the quarter.** Grades of “incomplete” are not available for second semester. Please contact the school counselor if you have any questions.

Every effort has been made to provide your child with the best possible schedule of classes. If there is an issue or conflict within a student schedule, please contact the teacher directly. If the issue/conflict cannot be resolved, please contact the school counselor for assistance.

DISCIPLINE
PGMS approaches all disciplinary matters with the intent to correct behaviors while maintaining respect for all students. To this end, a variety of disciplinary interventions are utilized. Please refer to the PGUSD Discipline Matrix and Related Interventions for Grades K-12 (Exhibit 5144) for a range of interventions for a specific violation.

FOOD SERVICE
All of the principles embodied in the district’s wellness policy have been adopted and implemented at PGMS. [BP 5030] The cafeteria lines are open at break and lunch daily. At these times the cafeteria offers full meals, many a la carte items and snacks for sale. Parents are encouraged to prepay for meals and snacks. Money can be added to a student meal account with cash or check (made payable to PGUSD Food Service). Parents may also apply money to a student's meal account using a credit or debit card by going online to EZSchoolPay.com, you will need your child’s student identity number to create an account. Credit cards are not accepted in the cafeteria. All overdue balances must be paid before the end of the school year. Students who owe money will not be allowed to purchase a la carte items or snacks. Students are reminded when they need to bring money and weekly calls and emails will be sent to parents to let them know when the account is overdrawn. All outstanding balances must be paid before the end of the school year.

For information and details regarding the PGUSD Food Service program including menus, nutritional information and free and reduced lunch applications, see the ‘Food Service’ tab on the district website or contact the District Nutritional Director, Dianne Hobson, at 646-6521. Free and Reduced meal applications are available in the school office, the cafeteria, or on the district website. Free and reduced lunches are available for field trips. Students may apply for free and reduced meals at any time during the school year.

LUNCH ACCOUNTS AND BALANCES.
- Every student has a lunch account.
- Parents are responsible for their student’s lunch account.
- Meals should be prepaid and accounts should be kept current.
- If there is no money on your child’s account and they are not eligible for free meals, the purchase of meals and food items will be charged to their account.
- If the balance reaches a negative $10.00 the student will only be allowed to charge a full meal until the balance is paid in full. No other item, e.g. drinks, snacks or a la carte items will be allowed to be purchased.
- If a negative balance reaches $25.00, students will no longer be able to charge to the account until the balance is paid in full. Students will need to use cash until their account is current.
- Site Principals will be notified when student’s negative balances reach $25.00.
- As a courtesy, the Food Service Program emails and calls overdue information at least once a week, using the School Messenger system.
● Students are reminded when their balance is low and also when the accounts become overdrawn.
● The Nutrition Director will also notify parents when accounts are overdrawn.

Allowing charges to accumulate can lead to financial losses to the food service program and is unfair to the families that do pay for their meals. If unpaid charges become excessive, the District reserves the right to take steps deemed necessary to collect charges owed and to prevent further loss to the District. These actions can include, but are not limited to;
  ● Offering an alternative meal
  ● Initiating collective agency actions proceedings, which may affect a parent’s personal credit rating
  ● Or denying campus activities

FOOD RULES:
● Gum is not allowed on campus.
● No food is allowed in the hallways or classrooms.
● Sodas, high sugar energy drinks, candy and other sugary snacks are not allowed at school.
● Glass containers are not allowed at school.
● Students are expected to be quiet and courteous in the lunch lines. Cutting in line, pushing or general horseplay is not acceptable conduct and will result in disciplinary consequences being issued.
● Stealing food from the cafeteria or other students will not be tolerated and will result in disciplinary consequences. Food must remain in plain sight while in the lunch lines.
● Students who tamper with the food serving lines and equipment will face disciplinary consequences
● Throwing food or drinks is prohibited. Students are encouraged to maintain clean eating areas by using the trash cans and recycling bins.
● All food and drink must be consumed in the designated lunch table areas. No food or drink is allowed on the athletic field. Food and drinks are not allowed inside the school building, inside of classrooms, or to be stored in lockers if previously opened.
● Students may not have food delivered to campus by any vendor, including but not limited to Grubhub, Uber Eats, DoorDash, Postmates and similar businesses.

Please follow the guidelines of the District’s Wellness Policy when sending treats to classroom celebrations. Board Policy 5030 states, “Parents are encouraged to support the District’s nutrition education efforts by considering nutritional quality when selecting foods sent to school, either for an individual student or for class consumption.”
GRADING, REPORT CARDS & PROGRESS REPORTS
A, B, C, D and F grades are issued for each class each marking period. Citizenship grades – O for outstanding, S for satisfactory, N for needs improvement, and U for unsatisfactory – are also given for each class each reporting period. Citizenship grades are earned, not given. Each semester is graded independently and is recorded on the student’s permanent records. Academic and Citizenship grades are used when determining eligibility for student council, sports, and overnight field trips. (See page 29 for more information on eligibility) Midway through each semester we issue quarterly report cards. Report cards are mailed home the week following the end of each quarter. Quarter 1 and Quarter 3 grades are similar to progress reports, as they show a students achievement at that point in the semester. At least six weeks prior to the end of a semester, Progress Reports are sent to any student in danger of receiving a grade of C- or lower and/or an “N” (Needs Improvement) or “U” (Unacceptable) for Citizenship. Parents can access current grades at any time by checking Illuminate. Questions about grades on assignments or tests should be directed to the teacher.

HEALTH INFORMATION
If your student is ill, please do not send him/her to school. Monterey County Office of Education policy states that a student must be fever and vomit free for 24 hours before returning to school. This includes any student who has experienced a fever, vomiting, or diarrhea within the previous 24 hours. If a student becomes ill while at school, he/she should ask permission from the teacher to go to the office. Parents will be contacted if a student is unable to remain at school. If a student is required to take medication at school: 1) A parent permission form and physician authorization form must be completed and on file in the school office, 2) An adult must bring the medication to the office and be administered by the parent. According to district policy, school staff may not recommend or administer over-the-counter medication, including aspirin or Tylenol, to students unless there is a physician’s note on file authorizing it. Permission for a student to carry emergency medication or have it stored in the front office must be obtained from the PGMS Health Clerk or in the front office. Please do not send medication to school with your student if we do not have a medication release form completed by your doctor. Please keep emergency contact information on file current for occasions when our staff is unable to reach the parent.

HOMELESS/FAMILIES IN TRANSITION
Homeless children and youth have equal access to the same free, appropriate public education, including a public preschool education, as is provided to other children and youth. (42 USC 11431[1]) If you have uncertain housing, a temporary address, or no permanent physical address, federal and California laws guarantee that your children may be enrolled in their previous school. (42 USC 11432[g][6][A][iv]) If this describes your family’s living situation, or if you are a student not living with a parent or guardian, please contact our District Homeless Liaison, Clare Davies, at 646-6523.
HOMEWORK POLICY
Responsible completion of homework is an extremely important trait as your student progresses through middle school and prepares for high school. In addition to class instruction, each student will be expected to complete some schoolwork at home to achieve mastery. Some assignments are long range in nature and require planned study time for completion. It’s important for students to begin working on long range assignments as soon as they are assigned, rather than waiting until the night before they are due. Major assignments, tests, and projects within each grade level are plotted on a grade level calendar to avoid common due dates. PGMS will not assign homework on weekends/breaks unless there are extenuating circumstances (if a student missed school time due to an excused absence).

Middle school homework for core subjects should average:
- 60 minutes per night four nights per week in 6th grade (240 minutes per week)
- 70 minutes per night four nights per week in 7th grade (280 minutes per week)
- 80 minutes per night four nights per week in 8th grade (320 minutes per week)

These times may vary slightly, and some subjects (such as advanced math) may require more time while others may require less. Parents are advised to establish a set routine at home so that students recognize the importance of homework and accomplishing the tasks assigned to them. Students are often provided time in class to begin their homework with the teacher present. Additional time is available for students to complete their homework (under the supervision of a certified teacher) Monday through Wednesday in the library from 3:10-4:00 in the library. Teachers will outline their individual homework practices and policies for make up work in their course syllabus.

HOMEWORK INFORMATION AND MAKE-UP WORK
While a student is home ill or away from school for any reason, the student should keep current on the day’s assignments by having a student buddy in each class and checking their Agenda/Planner, Google Classroom, and Illuminate. If your student is absent three or more consecutive days, the parent/guardian must call the office (646-6568) and request a Homework Request prior to 9:00 am. Homework can be picked up in the office between 3:30 p.m. and 4:00 p.m. on the day requested. Students who are absent due to illness will be given a reasonable amount of time (one extra day per day absent) to make up missed assignments. Suspended students are also required to make up missed homework.

LIBRARY AND COMPUTER LABS

Library: The library is open from 8:00 a.m. to 3:00 p.m. daily. Library books may be checked out for two weeks at a time and then must be returned or renewed. Students must take responsibility for lost, stolen or damaged books. Overdue materials may result in the loss of library borrowing privileges. All fines must be paid in order to participate in the end-of-year field trips. Students are not allowed to bring food or drinks into the library. Students may use the library at lunch (days open to be announced) by signing up in the morning before school or at break.

Textbooks/Library books: Textbooks are available to each student at the start of the school year through the library, however most classes make regular use of online versions of the textbooks. Hard copy texts are available upon request. When hard copy
texts are issued, classroom teachers will direct students to take their book home for the year or to store it in their locker. Textbooks are to be covered for the entire year. Parents are liable for lost or damaged textbooks as well as other library books. Textbook and library book fines must be paid prior to the end of the year to remain eligible to attend end of the year activities such as Great America, Promotion Ceremony and Promotion Dance.

**Study Hall:** The library is open on Mon-Wed for after school study hall from 3:10 p.m. to 4:00 p.m. This is a quiet, structured drop-in program for any student who would like to work on homework or do research on the computers. A faculty member will be present to provide assistance.

**Computer Labs:** The computer lab in Room 21 is available to be used for whole class instruction. Students are expected to abide by the PGUSD Technology User Agreement (PGUSD policy 6162.7 & 6163.4) and sign the agreement at the start of each school year.

**Technology User Guidelines include the following:**
1. Use appropriate respectful language
2. Privacy
3. Electronic mail
4. Information
5. Plagiarism
6. Vandalism
7. Site Content
8. Consequences.

PGMS provides technology and electronic information services as a privilege. Students who use technology inappropriately may lose the privilege and may receive disciplinary consequences.

**LOCKERS**
All students will be assigned a book locker and a PE locker (assigned by PE teacher) at the start of the school year. Backpacks MUST be kept inside the locker the entire school day and should not be brought to the classrooms or field. The school accepts no responsibility for the contents of lockers, and reserves the right to search lockers if there is reasonable suspicion

**To maintain locker privileges, students must abide by the following rules:**
1. Use only the locker assigned to you and keep it locked at all times.
2. Do not trade or share lockers.
3. Keep your locker combination secret. Sharing locker combinations may lead to theft.
4. If a student has concerns about locker security, he/she should report it immediately.
5. Do not write or mark on, or in, lockers. Do not affix stickers on, or in, the lockers.
6. Do not tape anything inside or outside the lockers, even for birthdays.
7. After locking your locker, spin the combination dial and double-check that it is securely locked before walking away.
8. Do not leave your locker ‘popped.’
9. Do not store open food or drinks in your locker (Starbucks, cookies, bagels, etc.)

Students are responsible for the cleanliness and upkeep of their assigned lockers and are not allowed to store food in their locker overnight. Students who abuse, misuse, share, ‘pop’, or trade lockers may lose the privilege of using a locker for the remainder of that quarter. Parents/students will be required to pay for locker damages should they occur. A fee will be charged for locker repairs, cleanup, or changing the locker combination.

**LOST AND FOUND**
The Lost and Found areas are located outside the library, and inside of the boys and girls locker rooms. Persons finding valuable items should turn them into the office immediately. Students are encouraged to write their name on all personal items, including lunch boxes and clothing. Lunch boxes will be held for one week before being disposed of or donated. Students and parents should check the lost and found regularly and only take items originally belonging to him/her. All unclaimed lost and found items will be donated to charity at the end of each quarter.

**MESSAGES AND DELIVERIES**
Sending messages and forgotten items to students while they are in class disrupts the learning process and will only be done in emergency situations. Forgotten homework, PE clothes, and lunches are not considered an emergency. Any item dropped off for a student will be held in the office until the student can retrieve it during a passing period or break. Please remind your students to always check the office when they realize they forgot their lunch, homework, binder, backpack, etc. Most of the time their lunch or various items are dropped off. If your student calls you to bring something to the office, it is their responsibility to come up to the office to check if it is here, we will not send a pass to let your student know that it is in the office, as it interrupts the learning in the classroom. If you bring something to the office, that you think your student needs for a class, and your student does not come up to get it, we will place it in the teacher's box. We understand that after school plans do change and exceptions can be made. Thank you for your understanding, in this matter, to decrease the number of classroom disruptions. Special deliveries, such as balloons for birthdays, are not allowed on the PGMS campus. Please do not distribute party invitations at school to avoid inadvertently hurting the feelings of uninvited students.

**MENTAL HEALTH SERVICES:** Student mental health services are available through the Pacific Grove Unified School District by contacting:

*Clare Davies*
*Director of Student Services*
*435 Hillcrest Avenue*
*Pacific Grove, CA 93950*
*(831) 646-6523*
PARENT- TEACHER CONFERENCES
Parent-Teacher Conferences are held twice each year, once in late October, and again in March. Students who receive low marks on their report card will have priority in parent-teacher conference appointments. Appointments can be made by calling 646-6568 ext. 306. Parents of students at risk of failing classes will be given a notice to attend an additional conference in the spring. Parents are encouraged to keep in touch with teachers as needed over the entire school year.

PARKING & STUDENT DROP-OFF AND PICK UP AREA
We encourage you to drop off and pick up your students at the back of the school at the cul-de-sac areas on Fountain Avenue. Please do not park in the staff parking lots or drop off / pick up your student in the staff parking lots. Parking is also available along Forest Avenue in front of the school. Please do not block the driveways. Please do not park in the middle of the cul-de-sacs on Fountain Avenue as it can disrupt the flow of pickup/dropoff before and after school.

PHYSICAL EDUCATION
All students are expected to dress out for and participate in PE every day. Students must be in the locker rooms when the tardy bell rings. Additionally, all students are expected to remain in the presence of the teachers or supervisors after dressing.

**PE Requirements:** Beginning the third day of school, each student must have a PE uniform and proper athletic footwear.

- **Uniform/Dressing Out:** Our expectation is that students dress out fully every day for credit. No partial credit will be given for single items of clothing. Students will adhere to all of the following to receive credit.
  - **Athletic Footwear:** Shoes should have flat athletic soles and cover the entire foot with adequate tension for proper support to prevent injury. Without this basic equipment, students may not participate and therefore earn no points. A suggestion is designating an appropriate pair of shoes to be left in the PE locker.
  - **Shirt:** PGMS T-shirt with LAST NAME + FIRST INITIAL is preferred. Also acceptable is a plain blue, white, or gray shirt.
  - **Bottom:** PGMS printed sweats or shorts are preferred. Also acceptable are plain colored leggings, shorts, or sweat pants which may be worn in the colors of blue, gray or black with LAST NAME + FIRST INITIAL printed on the item. If it is not possible to write on the outside, the tag or waistband will suffice.
  - **Layers:** Only jackets or sweaters may be worn over the P.E. uniform. No other school layers are allowed under or over the P.E. uniform. Know that our weather changes dramatically throughout the day, so a variety of clothing items is recommended.
  - **Hats:** Hats can be worn outside during PE only. Hoods are not allowed to be worn during PE at any time. A hood in class will earn a student a conduct check, repeated offenses may earn a student a lower conduct grade or further disciplinary action.

Students who do not dress appropriately for PE will receive a lower grade and/or disciplinary consequences. Remember to secure your clothing in your PE locker to prevent theft.

**PE Behavior:** Student behavior in PE is expected to be the same as in any other class. Pushing, grabbing, teasing, poking, tripping, and use of inappropriate language will not be
tolerated. These behaviors will lead to referrals and disciplinary consequences. Gum is not allowed in PE nor on campus.

**Excuses from PE participation:** If there is any change in your student’s health which may affect his or her ability to take PE, or if he or she is placed on regular medication (ed. Code 12020), it is the parent’s responsibility to notify the school. Make-ups for excused absences and medical excuses will be determined by the teacher.

- **Parents’ notes** are good for **one to three days**, depending on the issue. The note must state the number of days excused, or the instructor will assume it is only for one day. The note should also be specific about what activities the student is prohibited to perform. A note must be presented the day the student is to be excused from PE activities. Students who are excused from PE activities for medical reasons are still expected to be on time to roll call and to be dressed out.

- **A medical doctor’s note** is required for excuses lasting **longer than three days**. The note should include all of the above information. The doctor should also recommend the type of activity, if any, that the student can perform while excused from PE and the length of time for that recommendation. Students who are excused from PE activities for medical reasons are still expected to be on time for roll call and to be dressed out, unless otherwise determined by the teacher, counselor, or administrator.

**Fitness Testing**- Students will participate in the California Fitness Test at the end of their 7th grade year. Official testing begins in March-April for all 7th graders. Grade levels 6-8 will regularly practice the five different fitness assessments to help them meet the Healthy Fitness Zones for their age and gender.

**SCHOOL/OFFICE HOURS**
PGMS and the office is open daily from 7:35 a.m. to 4:00 p.m. Students who have a 1st period class, which begins at 7:45 a.m., are allowed in the building to go to their locker and go to class. Students may also enter the building at 8am to go to the library only. Students who do not have a 1st period, are not allowed in the building until opening bell at 8:25 a.m.
* Students who remain on campus 10 minutes after the final bell must be inside of a classroom participating in a designated program (study hall, computer lab, detention, AIC, music, athletics). Students may not simply “hang out” after school, as no supervision is available.
* All visitors are to enter the school through the front entrance, on Forest Ave., and go directly to the office to sign in. Parents and guardians should not be on campus without having first checked in with the office. Individuals without visitors badges will be escorted to the office.

**STUDENT SUPPLIES**
Each student is asked to have a **3-ring binder with subject dividers, ruled/lined paper, writing utensils and an assignment planner**. One planner will be supplied FREE to each student at the beginning of the school year. If this is lost or damaged, a replacement planner can be purchased in the front office for $8.00. Each student is given a handbook entitled “Common Core Writing for English Language Arts and Across Content Areas” at the start of their 6th grade year. Students are to keep this handbook for their 6th, 7th and 8th grade years at PGMS. If a handbook is lost or damaged, a replacement handbook can be purchased for $5.00 in the Library.
STUDENT TRANSPORTATION – Bus, Bicycles, Skateboards, Scooters

**Bus Passes:** Students must have a bus pass to ride the school bus to and from school. Bus pass information may be obtained in the PGMS front office. Bus passes will be issued from the PGUSD District Office. The buses pick up PGMS students between 3:15 and 3:25 Mon, Tues, Wed, and Fri, and by 2:15 on Thurs.

**Bicycles:** We encourage students to ride their bicycles to school in a safe manner. California law currently requires ALL children under the age of 18 to wear helmets while riding bikes, scooters or skateboards. Students must wear a helmet and can store the helmet inside of their personal locker during the school day. *Bicycles and skateboards must be walked at all times while on the PGMS campus.* Bicycles are to be stored and locked inside of the bike locker area before school. Students should bring their own lock and chain to keep their bicycle secure in the bike locker area. Students who need to get their bicycle from the bike locker during the school day must inform the office. The school assumes no responsibility for bicycles, helmets, backpacks, etc. left unlocked or unattended in the bicycle locker area.

**Skateboards & Scooters:** Skateboards/Scooters may not be stood on or ridden anywhere on campus at any time. California law currently requires children to wear helmets while riding bikes, scooters, skateboards. Skateboard lockers are available for safe storage of skateboards and scooters. The school assumes no responsibility for skateboards/scooters, helmets, etc. left unlocked. Skateboards/scooters may NOT be stored in student lockers.

VISITORS/VOLUNTEERS
Any person, including parent(s), who would like to visit a class, should make an appointment by calling 646-6568 at least one day prior to the visit. All visitors must use the front doors of the school, check in at the front office, and obtain a guest badge to be worn while on campus. Visitors are not allowed to go directly to classrooms or the outside eating areas. Parent(s) interested in regularly volunteering on campus inside the Library or during lunch, should contact the office, at 646-6568. For the safety of our students and volunteers, all volunteers are required to complete LiveScan fingerprinting at the District Office prior to volunteering. Please call Angela Lippert at 646-6553 to schedule a fingerprinting appointment.

**PTSA:** The PGMS Parent Teacher Student Association is a volunteer organization of parents, educators, and community members who work together to promote the education and well-being of the children and youth in the home, in the school, and in the community. Elections of officers are held in the spring. The PTSA and PGMS collaborate by providing school volunteers, parent education programs, student activities, and various vital programs. The PTSA welcomes into membership anyone who is interested in children and youth. Check the school website for meeting times.

**PG Music Boosters:** The PGUSD Music Boosters conduct fundraising activities during the school year to defray expenses for instrument repair, music books, travel costs, etc. Information is available from the music department at the middle school.
PG Pride: PG PRIDE, Pacific Grove Public Response In Dollars for Education, is a district-wide organization committed to providing each student in our community with a quality education. This group of district and community volunteers holds regular fundraisers and allocates money to each school based on requests received. For more details contact PG Pride at the district website, www.pgusd.org

School Site Council: This committee is formed under mandate of state law and is composed of four parents, four teachers, a classified employee, two students and the school principal. School Site Council meets once per month to develop a Single Plan for Student Achievement, oversee school program and make recommendations to the Board of Education. Committee meeting dates will be posted in the office and in the school newsletter. The public is invited and encouraged to attend.
PACIFIC GROVE MIDDLE SCHOOL
CODE OF CONDUCT
2019-2020

The PGMS Code of Conduct outlines the rules which shall be followed to provide a safe, orderly, and respectful environment so teachers can teach, students can learn, and so we can create a school everyone wants to come to every day. All school rules are based on district policy and state law. Policies and rules are enforced fairly, uniformly and consistently without regard to race, beliefs, economic status, or gender.

Disciplinary Interventions/Consequences: All avenues shall be utilized to encourage the positive interaction of students. However, when misconduct occurs and a warning or referral is issued, the interventions we employ are intended to help the student learn from his/her mistakes and to exercise self-control. These interventions include, but are not limited to, the following: Advising and counseling students; conflict resolution; written apologies; parental contacts and conferences; detention during and after school; work/trash detail at lunch or after school; community/school service; the restriction of participation in school activities (including participation in after-school sports, attendance at non-academic assemblies, school dances, and extracurricular activities); restricted use of school technology; alternative learning environments; creative scheduling; and, when necessary, suspension, expulsion, and/or involvement of the PGPD School Resource Officer. Disciplinary consequences will be issued on a progressive discipline system. Students who repeat inappropriate behaviors or who are frequently disruptive or defiant will be issued more aggressive interventions / consequences. These are to be determined by administration on an individual basis.

Referrals: If a student violates a school rule and/or policy, or is involved in misbehavior which disrupts school activities, he/she may be issued a referral to speak to administration. Warnings are issued for minor disruptions or defiance such as chewing gum, littering, horseplay, etc. A referral may be given for repeating these same types of behaviors. Teachers, substitute teachers, staff, or bus drivers may refer students to administration. Referrals are cumulative by quarter and may limit a student’s eligibility for extracurricular activities. The teacher/staff member issuing the referral will make initial contact with parent(s). The administrator will follow up with additional parent contact when issuing a consequence.

I. Truancy
California State law requires students to attend school and all classes on a regular basis. California Education Code recognizes only illness, medical appointments, quarantine, observance of a religious holiday, or attendance at funeral services as excused absences. All other absences, including family vacations, oversleeping, personal reasons, or any absence not cleared within 72 hours are considered unexcused. A student will also receive an unexcused absence if he/she cuts class or arrives at school without a valid parent excuse 30 minutes after the start of school. When a student receives an unexcused absence, parents
are notified, a referral may be written, and after-school detention may be assigned. After the third unexcused absence, California Ed Code considers a student truant and truancy proceedings are initiated with the Monterey County Truancy Abatement Program and the District Attorney's office. Please note: Teachers are not required to accept make-up work from a student who receives an unexcused absence.

II. Tardiness
A student is considered to be tardy if he/she is not seated and prepared to work when the class period begins. Tardies accompanied by a doctor’s note or appointment card are excused; however, other tardies, whether the fault of the parent or student, cannot be excused. Tardies are cumulative by quarter. Each period is recorded separately. For each tardy that occurs the following consequence(s) will apply:

- **Tardy 1:** Teacher warning, possible teacher consequence
- **Tardy 2:** Teacher warning, possible teacher consequence, parent may be contacted, student will be issued a warning slip by Asst. Principal
- **Tardy 3:** Student meets with Asst. Principal, assigned one detention, parent contacted by Asst. Principal
- **Tardy 4:** Student meets with Asst. Principal, assigned one detention, parent contacted by Asst. Principal
- **Tardy 5:** Student meets with Asst. Principal, assigned two detentions, parent contacted by Asst. Principal
- **Tardy 6:** Parent conference with student and Asst. principal, assigned two detentions
- **Tardy 7:** Saturday School or in-school suspension assigned, parent contacted by Asst. Principal
- **Tardy 8:** Loss of eligibility for extracurricular activities. Parent requested to shadow student, other consequences to be determined (may include additional parent conferences, Saturday School, in-house suspension, and/or loss of extracurricular privileges.)

**Detention** reminder slips will be given to students as a courtesy. Students who have been assigned a detention must serve that detention, even if they do not receive the reminder slip. Skipping detention will result in the detention being doubled. Students who skip detention more than once may be suspended as that would be considered an act of defiance. Detention will be held in the Library on Mon., Tues., and Wed. from 3:10-4:00. Students are to silently work on homework while serving detention.
III. Dress Code
Students are expected to wear appropriate clothing to school. Students shall refrain from wearing clothing or accessories that make reference to drugs, alcohol, tobacco, gangs, sex, or violent, oppressive and/or demeaning behavior; or exposing the back, stomach, and/or sides of the torso, cleavage, or upper thigh, including see-through materials.

- Skirts, dresses, shorts and holes in clothing must at minimum be finger-tip length.
- Pants must be worn at hip level in a manner in which underwear is not exposed or would not be exposed if the shirt were raised. (No sagging)
- Shirts must cover cleavage and midriffs at all times.
- Straps on tank tops must be one inch or wider. No spaghetti straps or strapless tops are to be worn.
- Excessively tight fitting clothing is not permitted.
- Bare feet, for reasons of health and safety, are not allowed. Shoes must be worn at all times.
- No pajamas or slippers are to be worn at school. Pajama pants and slippers are not allowed, unless it is a designated dress up day.
- Hats, hoods, and sunglasses may not be worn inside of the school building at any time during the school day and should be put away in their locker.
- Bandanas are not allowed to be worn.
- Wallet chains are not allowed.

Consequences for Violating the Dress Code:
- First time offenders will receive a warning and be required to change or cover up the clothing. The student may call their parent/guardian to bring a change of clothing or the student may change into their PE clothes.
- Second time offenders will receive a referral and be assigned an after-school detention. He/she will be required to change, and his/her parents will be notified.
- Further offenses will, in addition to a referral, detention(s), and a change of clothing, require the parent(s) and student to attend a conference with the Assistant Principal and may result in additional detentions, community service, trash duty, or in-school suspension.

The above dress-code standards are also in effect for all extra-curricular events and activities. Determination of appropriate clothing will be made by school administration.

IV. Prohibited Items
Students are prohibited from bringing Sharpies, lighters, fireworks, poppers, stink bombs, pepper spray or mace, tobacco, E Cigarettes (vape), drugs, drug paraphernalia, alcohol, knives of any kind, guns of any kind, laser pointers, or any other dangerous objects/toys to school. Possession of such items may result in suspension and the involvement of the PGPD School Resource Officer. Continued possession of such items may result in a recommendation for expulsion.
Students are also prohibited from chewing gum at school, and from bringing roller blades, digital cameras, body and deodorant sprays, or other personal property/toys not related to school activities. Per Board Policy, balloons of any sort are prohibited on all PGUSD campuses. Possession of these items may result in a referral and disciplinary intervention. Students should not bring large amounts of money to school and are also prohibited from selling anything on campus.

V. Drug Canine Units & Searches
Use of drug-detecting canines is one part of a comprehensive approach to drug and alcohol prevention in PGUSD. Reaching the goal of zero use and/or possession of drugs and alcohol on campus depends on students, parents, and staff members working together. Random searches by dogs will take place on campuses at unannounced times during the school year. Students and their belongings, including lockers and backpacks, are subject to search by school officials under any circumstances considered to justify “reasonable suspicion.”

VI. Cell Phones and Other Electronic Devices
Per Education Code 48901.5 (a) The governing board of each school district, or its designee, may regulate the possession or use of any electronic signaling device that operates through the transmission or receipt of radio waves, including, but not limited to, paging and signaling equipment, by pupils of the school district while the pupils are on campus, while attending school-sponsored activities, or while under the supervision and control of school district employees. (b) No pupil shall be prohibited from possessing or using an electronic signaling device that is determined by a licensed physician and surgeon to be essential for the health of the pupil and use of which is limited to purposes related to the health of the pupil. (Amended by Stats. 2002, Ch. 253, Sec. 2.)

Cell phones, music devices, smart watches, and all portable media devices, including e-readers, must be turned off and stored inside lockers during regular school hours and may not be used inside the school. These items may only be used outside of the school building before and after school. These items are the most commonly lost or stolen items at school, and we cannot and will not be responsible for such items. We strongly recommend that you keep all valuable items at home. Any time a student found to be using a cell phone or other electronic device, or with the item on or out during the school day, will receive a disciplinary intervention.

- First offense, the student will be issued a warning, and may reclaim the item no sooner than the end of the school day from the Assistant Principal and a parent will be contacted.
- Second offense, the student will be issued a referral, assigned an after-school detention, and the parent must pick up the item from the Assistant Principal.
- Third offense, the student will be issued a referral, a parent conference will take place with the Assistant Principal, and the student will lose the privilege of having the cell phone/device on campus for the remainder of that quarter. Phone storage agreements will be made at the parent conference.
VII. Academic Honesty – Plagiarism/Cheating
Students who copy work from others, lend inappropriate assistance (allow others to copy work) to others, submit work that is not their own efforts, or engage in forgery are guilty of "academic dishonesty" and will have consequences.

**Plagiarism** includes taking someone else’s assignments or portion of an assignment and submitting it as your own, submitting material written by someone else (including online resources and class texts) without properly citing the source(s), and presenting the work of tutors, parents, siblings or friends as your own.

**Cheating** is copying another student’s work or lending/receiving outside assistance on any assignment, test or quiz, except when the teacher allows. When a student violates the Academic Honesty Policy at any time, he/she will be disciplined in a manner consistent with the nature of the infraction, and may include any or all of the following:

- Receive a zero for the academic exercise
- Referral to administration
- Parent conference
- After school detention(s)
- Possible “U” in citizenship
- Repeat offenders may earn an in-school suspension or Saturday School

VIII. Disruptive Classroom Behavior
When a student is disruptive in class, the teacher will follow their classroom discipline procedures and may issue the student a consequence. For repeated disruptive behaviors, a teacher may elect to issue the student a referral and send the student to the office. Teachers will notify parents of the referral. Upon arrival there, the student will meet with the Assistant Principal and consequences will be issued. Consequences may include a conference, warning, detention(s), class suspension, full-day suspension (in-school), Saturday school, community service or parent shadow. Repeated disruptive behavior will result in more severe consequences. The Assistant Principal will contact a parent any time a disciplinary referral and consequence is being issued. Teachers have the right to suspend a student from their classroom for a total of two days, including the day of the disruption. If a student is suspended for a class period, he/she will complete class work in the office or library.

IX. Harassment, Bullying, Cyberbullying, and Intimidation
Students have the fundamental right to a safe and secure environment. Students and parents place their trust in school officials to take all reasonable steps to provide a setting that is free of humiliation, intimidation and threat. Accordingly, the district and staff shall not tolerate any incidents of bullying or harassment. To this end, the administration has the duty to implement programs that encourage students to behave with civility and common decency, and to establish and enforce codes of conduct that hold students accountable should they violate this policy. [BP 5145.3]

Harassment, bullying, cyberbullying, and intimidation will not be tolerated at PGMS.

**Harassment** consists of verbal or physical conduct relating to an individual’s gender, race, color, religion, ancestry, national origin, ethnic group, marital or parental status, physical
or mental disability, age, economic status, sexual orientation or the perception of one or more such characteristics. [BP 5145.3]

**Bullying** occurs when a student is intimidated by verbal or physical conduct or actions by one or more persons. Bullying includes assault, extortion, oral or written threats, teasing, putdowns, name-calling, threatening looks, gestures or actions, cruel rumors, false accusations, social isolation, and hazing. [BP 5145.3]

**Cyberbullying** includes the posting of harassing messages, direct threats, social cruelty, or other harmful text or images on the Internet, social networking sites, or other digital technologies, as well as breaking into another person's account and assuming that person's identity in order to damage that person's reputation or friendships. [BP 5131]

**Intimidation** refers to actions that would inflict or attempt to inflict fear, humiliation, or injury. [BP 5145.3]

Students who engage in such behavior will be disciplined in a manner consistent with the nature of the infraction, with the goal of learning from the incident and "making it right" with the victim(s). Students who repeatedly engage in such behavior will receive increasingly severe consequences up to, and including, suspension from school and/or recommendation for expulsion from the district. Students who engage in sexual, racial, ethnic, and religious harassment will be dealt with more severely.

**At a minimum**, students are subject to the following:
- First offense: Receive a referral, assigned to lunch or after-school detention, participate in a Conflict Resolution, parent contacted by Asst. Principal.
- Second offense/breaking of CRT agreements: Receive a referral, assigned one day suspension, and a meeting to be held with student, parents, and Assistant Principal.
- Third offense: Suspended from school for two to five days.
- Fourth offense: Suspended from school for three to five days, possible involvement of the PGPD School Resource Officer, and possible recommendation for expulsion.

**X. Internet and Technology Use**

Access to PGMS computers and the network requires parent and student signatures on the Acceptable Use Agreement (below). Network administrators may review files and communications to ensure that students are using the system responsibly. Violations may result in a referral, restricted computer and network access, such as a technology suspension, and other disciplinary and legal actions when necessary. Violations include but are not limited to:
- Using another student's username and password to access the network.
- Trespassing in another’s folder, work, or files.
- Sending or displaying offensive messages, pictures, or media of any kind.
- Use of obscene or profane language.
- Harassing, intimidating or bullying others.
- Accessing online chat rooms, social networking sites, or instant messaging services.
- Accessing websites not directed to do so by a teacher or staff member.
- Chatting with other PGUSD students.
- Damaging PGUSD devices
Acceptable Use of Technology:
ALL Pacific Grove Middle School students and their parents/guardians are required to sign that they have read and understand the District’s policy for acceptable use of technology, including web access, online textbooks, school computers/ChromeBooks, and other technology. A signed Agreement is required for all students.

Pacific Grove Unified School District
School Year 2019-20

Online/Internet User Obligations and Responsibilities/Acceptable Use Agreement

Students are authorized to use the District's equipment to access the Internet or other online services in accordance with this Acceptable Use Agreement.

1. The student in whose name an online services account is issued is responsible for its proper use at all times. Students shall keep personal account numbers and passwords private and shall only use the account to which they have been assigned.
2. Students shall use the District’s system safely, responsibly and primarily for educational purposes.
3. Students shall not access, post, submit, publish or display harmful or inappropriate matter that is threatening, obscene, disruptive or sexually explicit, or that could be construed as harassment or disparagement of others based on their race/ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion or political beliefs. (PGUSD Bullying/Cyberbullying Board Policy #5131.3) Harmful matter includes matter, taken as a whole, which to the average person, applying contemporary statewide standards, appeals to the prurient interest and is matter which depicts or describes in a patently offensive way sexual conduct and which lacks serious literary, artistic, political or scientific value for minors.
4. Unless otherwise instructed by school personnel, students shall not disclose, use, or disseminate personal identification information about themselves or others when using electronic mail, chat rooms, or other forms of direct electronic communication. Students are also cautioned not to disclose such information by other means to individuals contacted through the Internet without the permission of their parents/guardians. Personal information includes the student's name, address, telephone number, Social Security number, or other individually identifiable information.
5. Students shall not use the system to encourage the use of drugs, alcohol or tobacco, nor shall they promote unethical practices or any activity prohibited by law, Board policy or administrative regulations.
6. Students shall not use the system to engage in commercial or other for-profit activities.
7. Students shall not use the system to threaten, intimidate, harass, or ridicule other students or staff.
8. Copyrighted material shall be posted online only in accordance with applicable copyright laws. Any materials utilized for research projects should be given proper credit as with any other printed source of information.
9. Students shall not intentionally upload, download, or create computer viruses and/or maliciously attempt to harm or destroy district equipment or materials or manipulate the data of any other user, including so-called "hacking."
10. Students shall not attempt to interfere with other users’ ability to send or receive email, nor shall they attempt to read, delete, copy, modify or use another individual’s identity.
11. Students shall report any security problem or misuse of the services to the teacher or principal.

Whenever a student is found to have violated Board policy, administrative regulation, or the District’s Acceptable Use Agreement, the principal or designee may cancel or limit a student’s user privileges or increase supervision of the student’s use of the District’s technological resources, as appropriate.

XI. Physical Violence and Fighting
Students who physically harm another person will, at a minimum, receive a referral and disciplinary interventions. All parties involved in mutual combat may be suspended. Self-defense is limited to actions required to escape injury, and does not include fighting back when escape is possible.

XII. Profanity and Inappropriate Language
Students who use inappropriate and/or profane language will receive a warning and possible referral to administration. Disciplinary interventions will be issued by the Assistant Principal.

XIII. Public Displays of Affection
Students shall refrain from engaging in public displays of affection. Such displays include kissing, hand holding, romantic hugging, sitting on students’ laps, or other behaviors that promote romantic relationships on campus.
- First time offenses result in a warning and parent phone call.
- Second offenses may result in a referral and/or after school detention.

XIV. Failure to Serve Assigned Detention
Students who fail to serve an assigned detention will receive a referral and have that detention time doubled. Repeated failure to serve detention will result in an in-school suspension.

XV. Scholastic and Behavioral Eligibility
While many school-wide activities are open to all students regardless of academic standing or behavioral status, others require clear standards of eligibility. Students must be currently enrolled in PGMS to be eligible to try out for or participate in school activities. All marks for eligibility are determined by grades on the most recently completed reporting period. A student’s eligibility may be removed by the site administrator as part of a disciplinary action.

The end of the year 8th Grade field trip is open to all promoting 8th grade students (on track to earn 44 units) not involved in recurring and/or serious behavioral or disciplinary problems.
Extracurricular and co-curricular activities: All students in grades 6 through 12 must meet the following standards for extra-curricular and co-curricular eligibility. [AR 6145]

Definitions:

**Extra-curricular**: Activities not associated with the classroom and offered beyond regular school day (e.g., team and individual sports, spirit squad, drama, clubs, and the like).

**Co-curricular**: Activities that are an extension of the classroom and for which the student does not receive a grade, (e.g., Close Up, History Day, curriculum-related field trips).

Scholastic Eligibility for Students in Grades 6, 7, 8

Following are the scholastic eligibility standards of the District for grades six, seven and eight. These standards are part of the middle school’s continuing high expectations for its students.

<table>
<thead>
<tr>
<th>Level I</th>
<th>Activities</th>
<th>Requirements</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Leadership, Student Council, Overnight</td>
<td>A grade of C or better in every class; No N or U in conduct in any class; No suspensions.</td>
</tr>
<tr>
<td></td>
<td>Field Trips</td>
<td></td>
</tr>
<tr>
<td>Level II</td>
<td>Interscholastic Sports, School Dances, Drama and Music Performances and other Extracurricular Activities</td>
<td>2.0 GPA; No F or U in any class; no more than two referrals in the most recently completed quarter; present in school for one half of the instructional minutes on the day of the event;</td>
</tr>
</tbody>
</table>

To remain eligible for after school sports and extracurricular activities, a student must have received a GPA of 2.0 or higher on his/her most recent grade report (including fourth quarter/semester two of the previous year), must have no F grades, must have no U citizenship marks, and must have no more than two referrals in the most recently completed quarter. A student’s eligibility may be removed by the site administrator as part of a disciplinary action.

Students who are suspended from, expelled from, or on suspended expulsion status (probation) at a District school are ineligible to attend or participate in any extracurricular or co-curricular activities of the type identified above at Level I, or II, regardless of their academic standing with the District, during the entire period of the student’s suspension, expulsion, or suspended expulsion.

If a student is absent from school due to illness or any other reason, he/she may not participate in practice or a game on the day of the absence. In order to practice or participate in a contest on any given day, a student must be present in classes for at least half of the instructional minutes of the day.
Notification:
In Middle School and High School, students must be informed of the District’s eligibility requirements. Notification shall, at a minimum, include:

1. Annual publication of eligibility criteria in the Student/Parent Handbook
2. Printed notice on student report card informing them of eligibility and steps that can be taken
3. Progress report notices which include the following “bolded” statement:
   Students in all grades 6-8 must have a 2.0 GPA with no “F” grades and no “U” for citizenship in any class to participate in extra-curricular and co-curricular activities, interscholastic sports, Student Council, clubs, etc.

XVI. Athletics
A comprehensive after-school sports program is offered to all PGMS students. Our school is a member of the Mission Trails Junior Athletic League and the Coastal Counties Middle School Wrestling League. We compete against other schools in a variety of team sports. All students interested in trying out for a sports team must obtain a sports physical and have proof of insurance documented on the Athletic Emergency/ Medical Information & Participation Form and submitted to the office.

Students that have insurance: Your insurance policy may already cover your athlete during school sports activities. It does not matter where the event is, whether it is a home event or at another school. If necessary, you may want to contact your insurance company to confirm that your child is covered for school sports. The insurance information needs to be put on the Athletic Emergency/ Medical Information & Participation Form. You must provide the name of your insurance company and the policy # on the bottom portion of this form. If the policy # is not present, your athlete will not be allowed to play.

Students that do NOT have insurance: You will need to purchase insurance coverage in order for your student to participate in school sports. Myers-Stevens & Toohey & Co., Inc. provides insurance for student athletes at a minimal cost. Forms are available in the school office. There are several policy options available for purchase. The most recommended and least expensive plan is the “School Time Accident Plan.” This plan provides coverage for your athlete during any type of school activity at anytime and anyplace. Complete the order form and mail your check directly to the company. Do not send it to school.

Eligibility
All students participating in extracurricular sports must meet the Scholastic and Behavioral Eligibility criteria, above (Section XV of PGMS Code of Conduct, above on page 30-31).
XVII. Grounds for Suspension/Expulsion

By State law the following offenses by a student are grounds for suspension or expulsion, whether they occur while on school grounds, while going to or coming from school, during the lunch period (on or off the campus), during a school-sponsored activity, or while going to or coming from a school sponsored activity:

a. (1) Caused, attempted to cause, or threatened to cause physical injury to another person.
(2) Willfully used force or violence upon the person of another, except in self-defense.

b. Possessed, sold, or otherwise furnished any firearm, knife, explosive, or other dangerous object, unless, in the case of possession of any object of this type, the pupil had obtained written permission to possess the item from a certificated school employee, which is concurred by the principal or the designee of the principal.

c. Unlawfully possessed, used, sold or otherwise furnished, or been under the influence of, a controlled substance listed in Chapter 2, commencing with Section 11053, Division 10 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind.

d. Unlawfully offered, arranged, or negotiated to sell any controlled substance listed in Chapter 2 commencing with Section 11053, Division 10 of the Health and Safety Code, an alcoholic beverage, or an intoxicant of any kind, and then either sold, delivered, or otherwise furnished to any person another liquid, substance, or material and represented the liquid, substance, or material as a controlled substance, alcoholic beverage, or intoxicant.

e. Committed or attempted to commit robbery or extortion.

f. Caused or attempted to cause damage to school property or private property.

g. Stole or attempted to steal school property or private property.

h. Possessed or used tobacco, or any products containing tobacco or nicotine products, including but not limited to, cigarettes, e-cigarettes, cigars, miniature cigars, clove cigarettes, smokeless tobacco, snuff, chew packets, and betel. However, this section does not prohibit use or possession by a pupil of his or her own prescription products.

i. Committed an obscene act or engaged in habitual profanity or vulgarity.

j. Unlawfully possessed or unlawfully offered, arranged, or negotiated to sell any drug paraphernalia, as defined in Section 11014.5 of the Health and Safety Code.

k. Disrupted school activities or otherwise willfully defied the valid authority of supervisors, teachers, administrators, school officials, or other school personnel engaged in the performance of their duties.

l. Knowingly received stolen school property or private property.

m. Possessed an imitation firearm, i.e. a replica of a firearm that is so substantially similar in physical properties to an existing firearm as to lead a reasonable person to conclude that the replica is a firearm.

n. Committed or attempted to commit a sexual assault as defined in Section 261.266c, 286, 288, 288a, or 289 of the Penal Code or committed a sexual battery as defined in Section 243.4 of the Penal Code.

o. Harassed, threatened, or intimidated a pupil who is a complaining witness or witness in a school disciplinary proceeding for the purpose of either preventing that pupil from being a witness or retaliating against that pupil for being a witness, or both.

p. Unlawfully offered, arranged to sell, or sold the prescription drug Soma.
q. Engaged in, or attempted to engage in, hazing as defined in Section 32050.
r. Engaged in an act of bullying, including, but not limited to, bullying committed by means of an electronic act, as defined in subdivision (f) and (g) of Section 32261, directed toward a pupil or school personnel.
s. A pupil who aids or abets the infliction or attempted infliction of physical injury to another person may suffer suspension, but not expulsion.

48900.2: Sexual Harassment - A pupil may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined in Section 212.5.

48900.3: Hate Violence Crime – A pupil in any grades 4-12 inclusive, may be suspended from school or recommended for expulsion if the superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has caused, attempted to cause, threatened to cause, or participated in an act of hate violence as defined in Education Code 33032.5.

48900.4: Harassment/Intimidation - Intentionally harassed, threatened or intimidated a student or group of students to the extent of having the actual and reasonable expected effect of materially disrupting class work, creating substantial disorder, and invading student rights by creating an intimidating or hostile educational environment.

48900.7: Terrorist Threats - Terrorist threats against school officials, school property, or both.

Students may be expelled for any violation of Education Code 48900-48900.7 or for other serious infractions. Students who violate the School-Wide Contract may be recommended for expulsion.

Please be advised it is the policy of the Board of Education, in accordance with the educational code, that a suspended student:

1. Shall not be allowed to loiter on or around any school grounds at any time.
2. Shall not be allowed to participate in any school activities during the suspension period.
3. Shall have the right to have access to his/her records.
4. Shall have the right to request a meeting with the administrator to discuss matters pertinent to the suspension.
5. May be requested by teachers of any class from which a student has been suspended to complete any assignments and tests missed during the suspension.
Pacific Grove Middle School
Academic Offerings
2019-2020

Sixth Grade Classes

English 6 CORE
Students will be engaged in learning many aspects of Language Arts, including listening and speaking. They will read both fiction and nonfiction, and focus on comprehension, analysis, and vocabulary. In the area of writing, they will focus on narratives, inform/explain and argumentative essays, revision, and writing conventions. Text: Study Sync (Online Text)

History 6 CORE
Students will study the growth and development of Ancient Man, the ancient civilizations of Mesopotamia, Egypt, India, China, Greece, and Rome. The geography of these ancient civilizations will be a focus. During this process, students will increase their skills in chronological and spatial thinking, research and providing evidence, and historical interpretation. Text: History Alive! The Ancient World (Online Text)

Math 6
Math 6 is designed to develop the necessary skills outlined in the California Common Core Standards which include: connecting ratio and rate to whole number multiplication and division; using concepts of ratio and rate to solve problems; understanding division of fractions; extending the notion of numbers to the system of rational numbers, which includes negative numbers; writing, interpreting, and using expressions and equations; and developing understanding of statistical thinking. Text: Big Ideas, CA Common Core Edition

Math 6+
Math 6+ is the first year of a two year accelerated plan to ensure students are ready for Integrated Math 1 in eighth grade. The course encompasses the middle school California Common Core Standards which include: connecting ratio and rate to whole number multiplication and division; using concepts of ratio and rate to solve problems; understanding division of fractions; extending the notion of numbers to the system of rational numbers, which includes negative numbers; writing, interpreting, and using expressions and equations; and developing understanding of statistical thinking. Text: Big Ideas, CA Common Core Edition Course 1 and Course 2
**Math 180**
This course is to be taken in conjunction with Math 6 by students who need intensive and strategic assistance in developing skills necessary for Math 6. Students will be provided with personalized academic support to address specific areas of challenge regarding the California Common Core Standards. Instructional time will focus on students' target deficit areas, for example, all operations of fractions, decimals, positive and negative integers. The enrollment for this class is based on Scholastic Math Inventory test scores and teacher recommendation.

**Science 6**
6th grade Science is a course which includes an emphasis on providing background knowledge to support critical thinking. Students will learn about the scientific method, experiment design, and measurement. Students will study Science as an integrated discipline and will learn how cells function for reproduction and dissemination of information. Students will also learn how the human impact on the environment plays an important role in the evolution of resources here on Earth. The format of the class leans heavily on activities and projects.

**PE Grade 6**
Physical Education programs at PGMS consist of a wide variety of activities designed to develop proper basic motor skills, physical fitness, and fundamental movement patterns. Coinciding with the school philosophy there is an emphasis on sportsmanship and cooperation. Students will learn individual skills and knowledge to promote lifelong physical fitness. Students are provided with an introductory exposure to a wide variety of activities, including individual and team sports.

**Sixth Grade Elective Wheel**
Sixth grade students who do not take music or a support class will be placed into the elective wheel. The wheel consists of the following four classes, and students will rotate to a new elective each quarter:

**Art 6**
This quarter-long course is an introductory art class examining many basic principles of art including line, shape, value, color, texture, form, and space. Students explore these principles through different media such as pencil, paper, pastel, markers, papier-mâché, basic book-making, clay, and paint. This creative, hands-on class is a great precursor to the semester long elective class offered in grades 7 and 8.

**Home Economics 6**
This quarter-long course is an introduction into Basic Life Skills. Students evaluate their own skill set through a Multiple Intelligence survey, develop better communication skills and learn to work in groups cooperatively. They will explore the Five Flavors identified in Chinese Medicine theory, the role of food in maintaining good health, and work with the My Plate framework as it relates to a balanced diet and healthy portions.
Keyboarding 6
This quarter-long course located in the Computer Lab, is designed to build skills and confidence with technology. With the "All the Right Type" program our primary focus is on practicing keyboarding skills, which will immediately be applied to projects students will be creating for other classes. Time is also spent working with Google tools such as Classroom, Slides, and Forms. Students create slideshow presentations and research information on the internet. Digital citizenship and Internet Safety are covered.

STEM 6
The STEM explorative will explore the aspects of Science, Technology, Engineering, and the use of Mathematics with hands-on and computer-based activities. Sub-topics may include, but are not limited to, electrical circuits, simple motors, mechanical advantage of simple machines, environmental concerns in our world and critical thinking and engineering in the 21st century.

Seventh Grade Classes

English 7
Seventh Grade English is designed to increase students' fluency with reading, writing, speaking, and listening. Students will read fiction and nonfiction, with The Outsiders as a core novel. They will use their increased fluency with reading to produce writing, in the form of narrative, informative, and argumentative texts. They will use technology to conduct research, produce writing, revise, edit, and evaluate their texts. Students will also increase their familiarity and expertise in oral language, conventions of English, and figurative language.

History 7
Seventh Grade World History is a comprehensive course that covers both World History and Geography during the medieval and early modern time periods. It begins with the Roman Empire in 300 CE and traces the major world civilizations and religious powers through the Age of Enlightenment ending in 1789. The medieval and early modern periods provide students with opportunities to ask questions, investigate various historical concepts, and draw conclusions from evidence while studying the rise and fall of empires, the diffusion of religions and languages, and significant movements of people, ideas, and products. During these periods, the regions of the world became more and more interconnected. Students will learn that although societies were quite distinct from each other, there were more exchanges of people, products, and ideas in each century. Text: The Medieval World and Beyond

Math 7
Seventh Grade Math is designed to develop the necessary skills outlined in the California Common Core Standards which include: developing understanding of and applying proportional relationships, developing understanding of operations with rational numbers and working with expressions and linear equations; solving problems involving scale drawings and informal geometric constructions, two and three-dimensional shapes to solve problems involving area, surface area and volume and drawing inferences about populations based on samples. Text: Big Ideas, CA Common Core Edition
Math 7+
Prerequisite: Math 6+ or 6th grade math students will be placed based on testing and teacher recommendation.
Math 7+ is the second year of a two year accelerated plan to ensure students are ready for Integrated Math 1 in eighth grade. The course encompasses the middle school California Common Core Standards which include: developing understanding of and applying proportional relationships, developing understanding of operations with rational numbers and working with expressions and linear equations; formulating and reasoning about expressions and equations including modeling an association in bivariate data with a linear equation; solving linear equations and systems of linear equations; grasping the concept of a function and using functions to describe quantitative relationships; solving problems involving scale drawings and informal geometric constructions, two and three dimensional shapes to solve problems involving area, surface area, volume, distance, angle, similarity, and congruence; understanding and applying the Pythagorean Theorem; and drawing inferences about populations based on samples. Text: Big Ideas, CA Common Core Edition Course 2 and Course 3

Math 180
This course is to be taken in conjunction with Math 7 by students who need intensive and strategic assistance in developing skills necessary for Math 7. Students will be provided with personalized academic support to address specific areas of challenge regarding the California Common Core Standards. Instructional time will focus on students' target deficit areas, for example, all operations of fractions, decimals, positive and negative integers. The enrollment for this class is based on Scholastic Math Inventory test scores and teacher recommendation.

Science 7
Seventh grade Science introduces students to many of the scientific ideas, concepts, and principles related to life, physical and earth science on earth. Students will learn science through active participation in demonstrations, collaborative learning activities, multimedia presentations, research, inquiry, and experimentation with an emphasis on developing critical thinking skills and a greater depth of knowledge of science. Topics of instruction include ecosystems, chemistry, geology, and environmental issues.

PE Grade 7
Physical Education programs at PGMS consist of a wide variety of activities designed to develop proper basic motor skills, physical fitness, and fundamental movement patterns. Coinciding with the school philosophy there is an emphasis on sportsmanship and cooperation including respect for one another. Students will learn individual skills and knowledge to promote lifelong physical fitness. Students are provided with an introductory exposure to a wide variety of activities, including individual and team sports. Seventh graders will participate in the California State Physical Fitness Testing.
**PE Period 1**
This PE class is offered for 8th graders taking support classes or music classes to allow room in their schedule for an additional elective. If there is space, 7th graders may be added.

**Eighth Grade Classes**

**English 8**
Eighth Grade English is designed to improve students’ abilities to communicate in the English language. Students will learn to listen, speak, read, and write more effectively; and to expand and enrich their experiences and tastes in reading literature, fiction, and non-fiction. Units from the StudySync online textbook help students develop Common Core ELA skills. **NOVELS: The Pearl, excerpts from other works by John Steinbeck, The Diary of Anne Frank, and Treasure Island or The Adventures of Tom Sawyer.**

**History 8**
Eighth Grade History covers such topics as the discovery of the New World and European colonies, the War of Independence and Revolutionary War, the US Constitution, the Westward Movement, the Civil War, Reconstruction, Industrialization, the Progressive Era and the Spanish-American War. Throughout the course students will examine the effects of geography on all historical events. Throughout the year, students will develop skills in historical analysis, multiple perspectives, research, note-taking, cooperative learning and presentation. Additionally, students will participate in a variety of classroom activities such as Socratic discussions and simulations. **TEXT: History Alive! The United States Throughout Industrialism**

**Math 8**
Eighth grade Math is designed to develop the necessary skills outlined in the California Common Core Standards which include: formulating and reasoning about expressions and equations including modeling an association in bivariate data with a linear equation; solving linear equations and systems of linear equations; grasping the concept of a function and using functions to describe quantitative relationships; analyzing two and three-dimensional space and figures using distance, angle, similarity, and congruence, and understanding and applying the Pythagorean Theorem. **Text: Big Ideas, CA Common Core Edition**

**Integrated Math I**
*Prerequisite: Math 7+ or the equivalent.*
Integrated Math I is the first course in the High School Common Core Math series. Instructional time will focus on exploring, discussing and understanding the following concepts: systems of equations and inequalities, arithmetic and geometric sequences, linear and exponential function, features of functions, congruence, constructions, and proofs, connecting algebra and geometry, and modeling data. In Grade 8, instructional time should focus on three critical areas: 1) formulating and reasoning about expressions and equations, including modeling an association in bivariate data with a linear equation, and solving linear equations and systems of linear equations; 2) grasping the concept of a
function and using functions to describe quantitative relationships; 3) analyzing two and three-dimensional space and figures using distance, angle similarity, and congruence, and understanding and applying the Pythagorean Theorem. Text: Big Ideas, CA Common Core Edition

Math 180
This course is to be taken in conjunction with Math 8 by students who need intensive and strategic assistance in developing skills necessary for Math 8. Students will be provided with personalized academic support to address specific areas of challenge regarding the California Common Core Standards. The enrollment for this class is based on Scholastic Math Inventory test scores and teacher recommendation.

Science 8
Eighth grade Science will focus on developing skills for students to analyze and interpret data from their own experiments as well as create evidence supported solutions that can enhance their proposed model. This science course content will include numerous hand-on activities, discussion and experimentation, as well as the development of creating evidence based claims.

PE Grade 8
Physical Education programs at PGMS consist of a wide variety of activities designed to develop proper basic motor skills, physical fitness, and fundamental movement patterns. Coinciding with the school philosophy there is an emphasis on sportsmanship and cooperation including respect for one another. Students will learn individual skills and knowledge to promote lifelong physical fitness. Students are provided with an introductory exposure to a wide variety of activities, including individual and team sports.

PE Period 1
This PE class is offered for 8th graders taking support classes or music classes to allow room in their schedules for an additional elective.

Special Education Classes

System 44
Offered for all grade levels.
Prerequisite: Students must test in to qualify. System 44 is a reading program designed for the most challenged readers in Grades 6-8. It is proven to help students master the foundational reading skills required for success in school through explicit instruction in comprehension and writing and a personalized learning progression driven by technology.

Read 180
Offered for all grade levels.
Prerequisite: Students must test in to qualify. An intensive reading intervention program used to accelerate the reading levels and test scores of struggling readers in Grades 6-8. Read 180 provides individualized instruction through teacher-directed lessons, adaptive software, age-appropriate nonfiction and fiction texts, and data-driven differentiation. Read 180 accelerates learning and enables struggling readers to experience success in middle school settings.
**Applied History**
All grade levels. Must have an IEP to qualify. Students will learn to highlight, annotate and analyze key information in passages covering American history from Native Americans to the American Revolution. This course uses modified curriculum including online research, class discussion and reading. Students are assessed using quizzes that include multiple choice and short answers.

**Math 180**
All grade levels. Must have an IEP to qualify. Students will be provided with personalized academic support to address specific areas of challenge regarding the California Common Core Standards.

**Transitional Math**
Transitional Math is designed to bridge the gap between Math 180 and general education Math. It can be taken either concurrently with general education Math or by itself. It is offered to general education as well as special education students. In the course, grade level Math curriculum and necessary prerequisite skills are presented and reviewed. The course provides an opportunity to review, practice and master the skills needed to access and achieve success in the general education Math curriculum.

**Learning Center/Resource Program Grades 6 -8**
*Prerequisite: Special Education or 504 Recommendations.* Students who have an Individualized Education Plan (IEP) or 504 (if room is available) can be enrolled in Learning Center grades 6 through 8. The class will take the place of one elective course each semester. Learning Center is designed to teach identified students in the Resource Program study skills and organizational strategies necessary to support them in their academic classes. This class provides students with additional academic support to ensure they understand the concepts taught in their mainstream classes (primarily focusing on Math and English). Learning Center also teaches students to become self-advocates and independent learners.

**7th & 8th Grade Electives**

**Art**
*Prerequisite: None.* Although, not a requirement, this semester-long class builds on the skills learned in the 6th grade cycle class. Offered for 7/8 graders only. Art is designed to increase the student's creative abilities, technical skills, and awareness of art while aligning to the California State Standards for Visual Arts. This course introduces students to the basic elements and principles of art through various activities such as painting with acrylic, watercolor, and ceramic glaze, exploring pattern and color theory with markers, colored pencils, and pastels. Students will create three-dimensional objects using some of the following materials: clay, cloth, paper, papier-mâché, and found objects. In addition, students will develop an understanding of art throughout history and across cultures.
AVID (Advancement Via Individual Determination)
Prerequisite: Minimum GPA 2.0; Interview required. AVID is a year-long course, designed to prepare students, in an academic context, for entrance into four year colleges/universities. The emphasis will be on preparation for rigorous High School academic classes, study skills, test taking, note taking, collaboration, and academic writing. Students will work two times per week with peers in collaborative tutorials, one day of motivational activities, as well as learning WICOR skills (Writing, Inquiry, Collaboration, Organization, and Reading).

Computer Video Bulletin
Prerequisite: None. 7/8 grade only.
This semester-long class teaches students how to produce a daily video bulletin using Windows Movie Maker Live. Students will be instructed in filming and editing original videos, as well as how to create informational slides with effects. In addition, students will learn about laws and vocabulary pertaining to video production, and cyber citizenship. A team based class that keeps the school informed and entertained each morning.

ELD
All grade levels. English Language Development (ELD) is a course designed for English Learners in sixth through eighth grade who have yet to be designated as proficient in English. This course is a combination of ELD levels I-V, and offers an integrated reading, writing, listening and speaking curriculum. The adopted curriculum will focus on the academic discourse and writing skills necessary for success in the students’ core classes. Classroom activities include frequent opportunities for active speaking and listening with focused instruction of the essential vocabulary to perform in those skill areas. Students ask and answer questions, make interpretations, perform analysis, complete the different types of writing, develop vocabulary and engage in reflections about their readings. Students are guided and encouraged to become “real” readers, writers, speakers, and listeners of English.

Foods
Prerequisite: One semester of Home Economics. This year-long course offers the opportunity to continue advance cooking skills through a variety of second level cooking experiences. Students will begin the year by making fruit preserves and selling items to build a restaurant startup fund. They will create balanced menus, research recipes; adjust yields, manage their time, prepare complex dishes, serve the food in our cafe clean up, and manage earned money. Students will prepare a lesson to be taught to peers which includes a demonstration of a specific cooking technique. Regional and ethnic styles of food preparation will be explored.

Home Economics
Prerequisite: None. 7/8 graders only.
This semester-long course is designed to help prepare students for their futures, by teaching basic life skills utilizing hands-on projects to explore many areas of consumer and homemaking education. Units of study will include the skills needed to select and prepare foods, making nutritious food choices, managing money through budgeting, using savings and checking accounts, handling a debit card, and constructing a simple sewing project.
Students will participate in stress reduction techniques such as breath work and Tai Chi movements. A special emphasis is placed on forming good communication skills, problem solving abilities, and creating a balanced life.

**Leadership**

*Prerequisite: Teacher, counselor or administrator approval; minimum GPA of 2.5 or above; conduct grades of O’s or S’s only.*

This year-long class is designed to create a community of student leaders who organize, craft, and lead student activities at PGMS, as well as govern and represent the student body. Students create enjoyable activities that enhance the environment on campus and contribute to student growth. Students must maintain adequate grades in all their classes and demonstrate exceptional behavior commensurate with being a leader. Students will develop skills in communication, problem-solving, and teamwork. Students are required to attend one Leadership-type meeting a semester, i.e. PTSA, school board, school site council, city council, etc.

**STEAM**

*Prerequisite: None*

The STEAM elective provides integrated learning opportunities in the areas of Science, Technology, Engineering, Art and Mathematics. Through these disciplines, students will learn to use a wide range of computer applications and other technologies to design, create, problem solve, and communicate through multimedia and across different platforms. Students will develop their understanding and proficiency in using computer technology and become better informed, responsible, and productive digital citizens.

**Music**

**Chorus**

*Prerequisite: None. 6-8 grades.* Chorus is for students who are interested in vocal music performance. It is an outlet for the student who enjoys singing for his/her own pleasure. In this class you will learn about the following musical skills for ensemble singing: proper breathing, pleasant vocal production, blend and balance, expansion of range, good intonation, ear training, and sight-reading. The chorus will perform various styles of choral literature from classical to pop. Participation in various performance opportunities is a requirement of the class.

**String Orchestra**

*Prerequisite: None. Grade 6-8.*

Opportunity to audition for CCS Honors and Solo Ensemble. String Orchestra is a year-long course that introduces students to new music and concentrates on improving the student’s performance skills on the violin, viola, cello and bass. These skills include basic rhythms, melody, bowing, theory, and performance styles. Music skills will be taught by use of textbooks, workbooks, handouts, demonstrations, music technology, and from musical selections taken from classical to popular styles. **Textbook: All for Strings-Kjos 1 & 2**
Chamber Orchestra
Prerequisite: 1 year of String Orchestra or audition. 7/8 grade. Opportunity to audition for CCS Honors and Solo Ensemble. Chamber Orchestra is a year-long course that introduces the students to new music and concentrates on improving performance skills on the violin, viola, cello or bass. These skills include advanced rhythm, melody, bowing, theory, and performance styles. Music skills will be taught by use of instruments, textbooks, workbooks, handouts, demonstrations, music technology, and musical selections.
Textbook: All for Strings-Kjos Books 2 & 3

Concert Band
Prerequisite: None. Grades 6-8
Opportunity to audition for CCS Honors and Solo Ensemble. Concert Band introduces students to new music and concentrates on improving the student's performance skills by learning a new wind, brass, or percussion instrument. These skills include rhythm, melody, theory, and performance styles. Music skills will be taught by use of textbooks, workbooks, handouts, demonstrations, music technology, and from musical selections taken from classical to popular styles.
Textbook: Standard of Excellence-Kjos Book 1 & 2

Symphonic Band
Prerequisite: 1 year of Concert Band or audition. 7/8 graders.
Opportunity to audition for CCS Honors and Solo Ensemble. Symphonic Band is a year-long course that introduces students to new and larger works of music and concentrates on improving performance skills on wind, brass or percussion instruments. These skills include advanced rhythm, melody, theory, and performance styles. Music skills will be taught by use of instruments, textbooks, workbooks, handouts, demonstrations, music technology, and musicals.
Textbook: Standard of Excellence-Kjos Books 2 & 3

Jazz Band/Jazz Class
Class Time: Period 8 Wednesday & Friday 3:00-4:15 p.m.
Prerequisite:
● Enrolled in any of the day bands, chorus, or orchestras
● Performing Jazz Band - by audition &/or instrumentation
● General Jazz Ensemble - by simple audition and instrumentation
Grade Level: 6-8. Jazz Band introduces the music student to new music and concentrates on improving the students' performance skills on his/her own instrument. These skills include advanced rhythms, melody, theory, improvisation, and performance skills in jazz and rock styles. Music skills will be taught by use of instruments, textbooks, worksheets, hand-outs, demonstrations, music technology, and from musical selections taken from the jazz to rock styles of music.
*Parents please arrange after school appointments and athletics so that they do not conflict with these rehearsals. Grades are based on attendance as well as musicianship. Students missing rehearsals will need to make up time.
Textbook: Jazz Ensemble Method-Kjos
Scales, Chord, & Rhythm sheets (Provided)
Jazz Combo
Class Time: Period 8 Tuesdays from 3:00-4:15 p.m. & Thursdays from 2:00-3:00 p.m.
Prerequisite: Audition only
Grade Level: 6/7/8. Jazz Combo introduces the music student to new music and concentrates on improving the students’ performance skills on his/her own instrument. These skills include advanced rhythms, melody, theory, improvisation, and performance skills in jazz and rock styles. Students will learn to lead and prepare an ensemble for performance. This is an advanced Jazz class of 6-10 students.
